

Ballistic Counter and Deal Tray

UL Levels 1 – 8

- The USDT90 Counter and Deal Tray provides ballistic resistance in assemblies designed to provide employee protection. The tray can be fitted to accommodate existing conditions or used in conjunction with our various lines of windows. The unit is shipped factory assembled
- Standard tray sizes: 12" x 10" x 2" custom sizes and configurations are available.
- Standard counter sizes: 16" deep x custom width.
- Standard finish: Stainless steel with optional metal or painted finishes available.

It is recommended that the deal tray be used in conjunction with protected wall and door areas.

Each end user should determine the blast, ballistic and forced entry threat level to ensure the correct product selection to meet and exceed security needs.

Warranty: All necessary replacement of parts and adjustments not occasioned by accident or misuse shall be made at the vendor's expense when notified within 30 days after customer receipt of product. All products are warranted for a period of five (5) years from the date of customer receipt. During warranty period, all defects not caused by attack, accident or misuse through fault or negligence by the customer shall be adjusted or replaced at the vendor's expense (excluding transportation costs).

Disclaimer: In as much as U. S. Bulletproofing has no control over the use to which others may put this material, it does not guarantee that the same results, as those described herein will be obtained. Nor does USBP guarantee the effectiveness or safety of any possible or suggested design as illustrated herein by any photograph, technical drawing and the like. Each user of products or design or both should make his own tests to determine the suitability of the product or design or both for his own particular use.
