

Bullet Resistant Clear Pizza Passer

UL Levels 1 – 3

Bullet Resisting Pizza Passer

United States Bullet Proofing's USCPP, "Clear" Pizza Passer, is designed for high visibility. Made of clear acrylic, view items as they are being passed through the clear pizza passer. It is designed to handle a large pizza box. It is also used in hospital pharmacies for dispensing medications, in law enforcement agencies for the transfer of evidence or personal property items and other applications. This passer is a "clear" choice for many interior applications.

- Standard size: 24"W x 22"D x 9"H
- Custom sizes available upon request
- Manufactured using bullet resistant materials
- Delivered assembled and ready for installation
- Full vision through passer

It is recommended that this product be used in conjunction with protected window, wall and door areas.

Each end user should determine the ballistic and forced entry threat to ensure the correct product selection to meet and exceed security needs.

Warranty: All necessary replacement of parts and adjustments not occasioned by accident or misuse shall be made at the vendor's expense when notified within 30 days after customer receipt of product. All products are warranted for a period of one year from the date of customer receipt. During warranty period, all defects not caused by attack, accident or misuse through fault or negligence by the customer shall be adjusted or replaced at the vendor's expense (excluding transportation costs).

Disclaimer: In as much as U. S. Bulletproofing has no control over the use to which others may put this material, it does not guarantee that the same results, as those described herein will be obtained. Nor does USBP guarantee the effectiveness or safety of any possible or suggested design as illustrated herein by any photograph, technical drawing and the like. Each user of products or design or both should make his own tests to determine the suitability of the product or design or both for his own particular use.
